## CUT LOOSE SIGNS UP RNT REPAIRS FOR ALL SERVICE AND REPAIR BUSINESS

**Cut Loose** have recently appointed RnT Caravan Repairers of Tweed Heads as our Service and Repair Specialist. Rod has an enviable reputation in Queensland with all the facilities (including a hoist) to do a top quality job. He also works closely with us at **Cut Loose** and has access to our parts department and manufacturing expertise.

At **Cut Loose** we want to ensure your new home provides many years of trouble free luxury on your travels. And just like your vehicle that tows it – it needs a full inspection & service on a regular basis – initially after 3 months and 12 months. If anything is identified it can be rectified swiftly and at little cost – possibly preventing a more serious repair at a later stage.

A thorough Service will include:

- A thorough inspection of the chassis and running gear
- Inspecting the tyres, suspension and braking system for wear and tear
- Checking the roof, walls and windows for watertight quality of seals
- Servicing the other mechanical components eg slide out and landing legs
- Ensuring all electric lights, wiring, battery and connections are in sound condition
- Changing the hot water heater sacrificial anode (if necessary)
- Checking the condition of the gas system
- Inspecting all internal plumbing

So if you haven't had a service recently call Rod and his team on 07 5524 3329 or email on [rntcaravanrepairs@yahoo.com.au](mailto:rntcaravanrepairs@yahoo.com.au) to book your **Cut Loose** in when you are passing through – and come and have a coffee with us at Burleigh while it is being serviced.

## GEN II SALES UP 100%

WOW!! We have been delighted with the response to the Launch of the New Generation II models – in the first 5 months of 2010 we have sold and delivered more than double the number of units we achieved in the same period of 2009. So much so, that more customers are now choosing to order their Cut Loose in advance and have it built with their selection of fabrics and cabinetry saving them \$1000's and protecting them from ALL future price increases.

## NEWS FROM THE TEAM

I'm sure you will all wish to share in Congratulations to Saskia who is now a proud Mum. Phoenix Xavier was born on 3rd of May and both are doing well. We look forward to having Saskia back part time when she is ready.

## END OF FINANCIAL YEAR SALES

Just a reminder that June provides you with an opportunity to pick up great bargains on tow vehicles. Most dealers offer End of Financial Year Sale prices to clear their stocks. Contact your preferred dealer for more information (make sure you confirm with Cut Loose the tow vehicle suitability prior to purchase).

## Cut Loose Safari – Kakadu National Park

Why not beat the winter and head for the gorgeous Top End? Using Darwin as a base, there is plenty of natural beauty to be experienced, particularly the World Heritage Kakadu National Park – (NB the visitor fee of \$25 has been re-introduced). Crystal clear swimming holes (confirm these with an experienced guide), waterfalls, spectacular bush walking tracks and unique sandstone country are all on offer to be explored. Crocodile spotting cruises are very popular, as are the numerous Aboriginal rock art displays. Don't forget your camera, the spectacular 360 degree views are breathtaking.
